

Local Educational Agency Prioritization List

FY23-24 Zero Emission School Bus and Infrastructure (ZESBI)

5/10/2024

**If your Local Educational Agency name is not listed here, please reach out to schoolbusteam@calstart.org for assistance with identifying your tier designation.*

The Local Educational Agency Prioritization List was created to aid Local Educational Agencies in identifying their tier designations for the ZESBI Incentives project.

Applicants will be ranked within each tier (Tiers 1-3), based on the timestamp of submission of their complete Application Part A. Should data from CALPADS or NCES be missing, or incomplete, eligible applicants may have the ability to self-certify the missing or incomplete data and should reach out to schoolbusteam@calstart.org to confirm they are eligible for self-certification. See section "3.2 Application Prioritization" of the California Air Resources Board's [ZESBI Implementation Manual](#) for more information.

Tier 1

Applicants defined as any one of the following will be ranked in Tier 1:

- **Rural School District** - A school district with a school locale code of 31, 32, 33, 41, 42, or 43, as classified by the [National Center for Education Statistics \(NCES\)](#).
- **Small School District** - A school district with fewer than 2,501 units of average daily attendance using the most recently reported annual data in the [California Longitudinal Pupil Achievement Data System \(CALPADS\)](#).
- **High Unduplicated Pupil Count** - An applicant serving a high percentage of unduplicated pupils, a total district enrollment of 80% or greater, as reported in CALPADS 2022-23 Fall Submission 1.

CDS Code	NCES Code	District Name	County	Small School District	Rural School District	High Unduplicated Pupil Count
