

# LOGISTAR 450

## FLEXIBLE AND VERSATILE

The Logistar 450 battery-electric truck features modern convenience in an environmentally-friendly package at an unbeatable price. On top of producing significantly less noise and air pollution than its diesel-powered counterparts, the Logistar 450's reliability means less time and money spent on maintenance, resulting in a lower cost of ownership too. Combined with a fast-charge time of less than 2 hours and an EPA-rated range of 160 miles, the Logistar 450 is the perfect vehicle for urban delivery and logistics.
