

FY 23-24 Zero Emission School Bus and Infrastructure (ZESBI) Incentive Project

Applicant Eligibility List - First Application Window

11/25/2024

The Applicant Eligibility List reflects eligible applications received within the first application window (May 14, 2024 - September 30, 2024) only. Funding has been reserved for all eligible applications received during the first application window and applications have advanced to Application Part B. Applications received within the second application window (October 8, 2024 - November 22, 2024) will be posted at a later date.

Placement on the Applicant Eligibility List does not indicate a funding award. All applicants will need to submit additional documentation as described in [CARB's ZESBI Implementation Manual](#) and [CEC's ZESBI Implementation Manual](#).

Applicants within each tier (Tiers 1-3) were ranked based on the timestamp of submission of their completed Application Part A. Additional information on applicant prioritization can be found on page 8 of [CARB's ZESBI Implementation Manual](#).

The ZESBI infrastructure award allows for a maximum of one ZESBI-funded charger for each ZESBI-funded zero-emission school bus. The number of chargers per applicant is not reflected below, as applicants do not finalize charger quantity until Application Part C.

If an applicant submitted more than one application prior to September 30, 2024, their name may appear multiple times below.
