We will not compromise on what our customers need:

- All Battle Ready EV trucks have a top speed of up to 70 mph. Our multi speed automatic transmission enables full laden start on 25% for the Work Ready Battle LNT EV.
- Battle Ready EV 700V - 240kWh LFP Lithium Battery Packs boast twice the life expectancy of our competitors.
- Battle Motors is the best and only uses the best: with Hendrickson suspensions, Dana axles, and Bendix brakes.

*All-Electric range can vary on route or drive cycle, conditions, configurations and driver behavior. Precise data available upon evaluation of fleet specifications.
