

APPENDIX B: Vehicle Eligibility Applications

Vehicle Eligibility Application Submittal Instructions for Original Vehicle Manufacturers

Please submit the vehicle eligibility application to Patrick Chen by e-mail at Patrick.Chen@arb.ca.gov and provide a signed electronic copy of the application. There is no deadline for application submittal. Vehicle eligibility applications will be evaluated in the order they are received.

Applications for HVIP eligibility must match the corresponding Executive Order including vehicle model year, vehicle model name, chassis, chassis model year, and configuration. Voucher requests that are not identical to the corresponding Executive Order and HVIP Approval Letter may be subject to cancellation. The exception to this is when a letter of attestation is provided addressing Vehicle – EO MY alignment. Specifically, in instances where the Model Year of the VIN for an HVIP-funded vehicle will not match the Model Year on the corresponding CARB Executive Order, a letter of attestation must be provided by the OEM on company letterhead a minimum of 30 calendar days in advance of the voucher request to voucherprocessing@tetrattech.com with the following information: 1) identifying the EO that covers the vehicle for which funds are being requested, 2) listing which Vehicle Models are covered by the corresponding EO, 3) listing which Vehicle MYs are covered by the MY of the corresponding EO, and 4) stating the OEM's understanding that if the OEM delivers an HVIP-funded vehicle that is not covered by the EO and HVIP Approval Letter, the OEM will be responsible for returning HVIP funds and covering any penalties issued by CARB, if applicable

Questions regarding submittal of the vehicle eligibility application or application requirements should be directed to the CARB Project Liaison at patrick.chen@arb.ca.gov.

The timeline from when a complete and accurate eligibility application is received by CARB to when the vehicle is available in the HVIP Eligible Vehicles Catalog and Voucher Processing Center (VPC) is an average of 75 days. This includes 60 days for CARB's review and 15 days for HVIP staff to update the Catalog and VPC

Note:

If the MY of an HVIP-funded vehicle changes in the time between when the voucher was requested and when the voucher was redeemed (i.e., MY2022 requested and MY2023 delivered), this does not affect the voucher status / redemption or the purchase order, if the subsequent model year is covered by a CARB Executive Order or letter of attestation as described above. It will be acceptable for the voucher request and purchaser order / sales agreement even if it is not included in the HVIP Vehicle Catalog.
